Phone 807.223.3813
Email p2p@ntab.on.ca
www.ntab.on.ca

In partnership with:
**Local Foods Coalition & Kenora Soil and Crop
Improvement Association**

There is a growing interest for more small-scale farmers in Northwestern Ontario to supply the growing demand for local produce and a growing interest in Community Supported Agriculture (CSA) vegetable farming in building a resilient local food system.

Topics to be included:

- Crop planning techniques
- Efficient ways to plant for CSA production
- Effective ways to harvest a CSA type farming operation
- Discussion of CSA plans for the Dryden area
